

Based on your product usage versus your reported ventilator days, estimated compliance data shows your staff may not be at 100% compliance with proper oral care.

- a. **Recommendation:** We would like to offer you the option of an educational review or additional inservicing by one of our reps.
- b. **Deliverable:** Contact your rep to coordinate additional training. An educational review can be accomplished via conference call; additional inservicing will be scheduled for earliest availability.
